**Lessons:**

1. Sovereignty of God to land ark on resurrection day
2. Patience: Noah & family on board ark for 1 year
3. Wait on the Lord: Noah did not depart from the ark until the Lord told him to. He waited for the Lord's Word before he moved. Even though the door was open and the land was dry and after having been on board for almost 1 year he did not leave without the command of God!

*Ps 27:14*  
Wait on the Lord; Be of good courage, And He shall strengthen your heart; Wait, I say, on the Lord!
